

Three Bedroom Villa House

Our two free standing villas are located in the rear section of the property in an elevated position. Whilst the properties primarily overlook gardens they do also have some views towards to beach. Both properties have lock up garages. There are approximately two flights of stairs from the garage to the villas. Both villas have private BBQ's on the decks.

The 3 bedroom Villa is split level with kitchen, dining and living areas on a lower level and the 3 bedrooms on the upper level. The master bedroom has an en-suite.
