

Sapphire Turf Club

Sapphire Coast Turf Club is located on a picturesque 300 acre site on Sapphire Coast Drive at Kalaru, between Merimbula and Bega and Tathra. It is one of the newest and most modern country racecourses in NSW with great spectator facilities. Patrons can enjoy an unobstructed view of the racing action from most parts of the course including the Members Reserve and Function Centre and from the large, banked lawn areas.

TAB, kiosk and bar onsite, however you are welcome to bring your own picnic to enjoy on our lush lawns. Plenty of shade, free entry for under 18's, entertainment and free buses to get you to and from the track all add up to a terrific day at the track.
